Overview

On 27/04/2017 a Network Rail Safety Specialist observed RSS vehicle (Registration YJ15 FYG) at the Moreton Cutting access point the Network Rail HSEA Specialist noticed that not all were wearing seat belts.

The outcome of this was that a breach of the Network Life Saving Rules was reported and a Level 1 investigation was carried out by Network Rail, AMEY and RSS.

May I take this opportunity to re-iterate the Network Rail Life Saving Rules with regard to Driving and in particular the requirement to wear seat belts when travelling in vehicles.

Always obey the speed limit and
wear a seat belt.

Immediate Actions Required

- Ensure that when travelling in a road vehicle you wear your seat belt
- Where you are the Driver carrying passengers ensure that you and your passengers are wearing Seat Belts prior to the Journey commencing
